Memo No. 707/SDK-II

Dated: 18 /05/2017

To  
The Secretary  
Sandeshkhali Maa Saroda Women & rural Welfare Society  
Bermajur, Sandeshkhali.  
North 24 Parganas.

**Sub-Land and maintenance support for sinking deep bore tube wells**

As per reports of Water testing lab it is found that the large area of Sandeshkhali-II block are Arsenic and Iron effected and the present government tube wells are not sufficient for safe drinking water with respect to the public demands .In this regards ,your initiative for sinking deep bore tube wells are very useful for this are.

We are ready to provide land for sinking tube wells and maintenance the same from our end and respective Gram Panchayets subject to direct monitoring and supervision for installation of tube wells from our end.

Thanking You.

  
Block Development Officer  
Sandeshkhali-II Dev. Block  
Dist.-North 24 Parganas

  
18/5/17
